

SCRIPT EDITOR

CREATIVE WRITING / STORYBOARDING

The role of a Script Editor is essential to the development of an amazing video; you will be based at the pre-production stage of the project.

You must be able to take the client's brief and simplify it into a short, unique and creative script, which will then be forwarded to the design department, who will then form the illustrations to be animated.

TASKS

- Experience in communicating professionally with clients
- Working closely with the design team
- Ability to work with raw data (design specification form*)
- You may be asked to attend meetings with clients along with the design team
- Focussed on meeting the clients' objectives and expectations.
- Ability to meet company deadlines
- Proactive thinker who seeks to improve work-flow
- Detail orientated and organised
- Ability to work independently as well as in a team

EXPERIENCE

- 0-3 years' experience*
- Creative Writing
- Storyboarding

N.B - Applicants with no prior experience will be required to show an example of their creative writing.
